

## Bound Together

*Creating and educating a caring community since 1994*

P.O. Box 431247

Pontiac, MI 48343

248-334-3827

Dear friend —

**Bound Together, an after-school tutoring and nutrition non-profit program, is celebrating 29 years of service** to Pontiac children and families. Recognized by Mitch Albom's "Heart of Detroit", Bound Together provides one-on-one academic support, a hot meal, and a caring adult presence three days/week during the school year for up to 31 children on-site as well as virtual tutoring — not to mention enrichment programming, field trips and more!

While we partner with friends at Pontiac Creative Arts Center, Oakland University, schools, local churches and other civic organizations, Bound Together only happens with the support of those individuals and institutions who share a commitment to children and to the community—our amazing volunteers and those who support our mission with gifts of all kinds.

Our **May 13, 2023** fundraiser will feature Dave Bennett and the Band in an outdoor concert at the Sylvan Lake Community Center. With the support of our active volunteer base drawn from throughout Oakland County, **this event will raise much-needed funds for our mission as well as highlight our raffle and auction donors, and their generosity.**

**We will be running a silent auction with items at multiple bidding levels as well as a live auction for items that will excite our many attendees and supporters, and we will be thrilled to acknowledge donor generosity in our program, digitally as well as at the event.**

**If you have an auction item or would like to sponsor: please see the attached donation/sponsorship pages** for more ways to help as well as to register your publicity files! Become a part of Bound Together's caring community — and ensure that Pontiac's kids are reached with an educational hand, a hot meal, and open hearts.

Warm regards,

Michele Wogaman, Executive Director
